Extra-Curricular Clubs

Autumn 2024/25

'Championing children; making a difference'

ST JOHN'S
A PRIORY ACADEMY

Extra-Curricular clubs and activities support children in developing interests and passions and are something we place great importance on. We are proud of the breadth of clubs we are able to offer. This booklet will show our offer for September 2024—December 2024. Our extensive programme will offer the children the chance to develop skills which go beyond the school curriculum.

What kinds of opportunities will be available to my child?

We have carefully considered the range of provision on offer to cover art, sport, STEM, language and literacy and community. You may notice slightly more clubs on offer for KS2 than KS1. We have increased the number of clubs available for pupils in KS1 and will continue to look at our offer.

Who will be running these sessions?

A significant number of sessions will be run by external providers who are experts in their fields. We are delighted to have built strong relationships with these providers and that our pupils get the chance to benefit from their knowledge, skill and experience. A number of sessions will be run by the school staff team who will be giving their time to offer children these opportunities after school.

Why is there a charge for some clubs?

Due to the high quality of external providers, some clubs require a charge to ensure they can be offered to pupils and have the capacity to run. It also covers the use of resources which may be needed to run the club. Pupils who are in receipt of pupil premium are entitled to a 50% reduction in the cost of the after school club.

Why do children need to commit to a full term?

Numerous research studies highlight the academic and social benefits of sustained extra curricular engagement. Just like clubs the children may attend at weekends, the longer children commit to developing a new skill, the more successful they are likely to become.

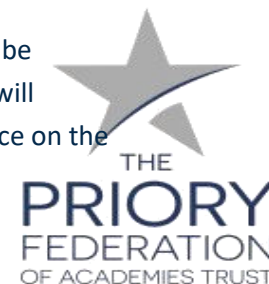

We have therefore decided that children should therefore 'commit' at least 1 big term (Autumn, Spring or Summer) to developing a new skill before reviewing if they wish to continue.

For some clubs, children who are already signed up will get the option to continue this into the next term before any additional places are offered out.

How do I book?

You can register your interest for different clubs by using the hyperlinks in this booklet which will take you to an online form.

The window for registering for clubs starting in September will be Monday 17th June— Friday 28th June. After this deadline, we will contact families to let them know whether their child has a place on the club. All after school clubs will begin the week beginning 9th September 2024. Payment will need to be received before your child is able to start the club.

STEM

Magical Maths KS2 (Y3-4)

Who and When?	Magical Maths	Mondays 3.30-4.30pm
How many?	24	
What?	Magical Maths is a maths programme exclusively for primary aged children. Your child will witness mind blowing sessions that will leave them 'wowed' and amazed. Magical Maths sessions are quite the spectacle; we've got a genius professor, world class detectives, mind reading magicians and eccentric athletes, all dedicated to making maths fun for your child. Each week covers a variety of educational topics in a fun and exciting way.	
Where?	Classroom	
Cost?	£8 a session	Register interest here

Gardening KS1 Term 1 only until Oct (Y1-2)

Who and When?	School Staff	Wednesdays 3.20-4.20pm
How many?	16 spaces	
What?	Children will enjoy gardening by planting wildflowers and other bulbs and seeds and tend to them to ensure they grow healthy and strong!	
Where?	Outside	
Cost?	Free	Register interest here

Cookstars: Y5/6 Term 1 until Oct and Y3/4 Term 2 Oct-Dec

Who and When?	Cookstars	Fridays 3.30pm—4.45pm
How many?	14 spaces	
What?	Learning to cook is not only an essential life skill in itself, but is a vehicle for so much other learning. In sessions children expand their vocabulary, build fine motor skills, observe how substances combine and change, count, weigh, measure, explore, learn about healthy eating and so much more. One week, the children will make a sweet dish and the next a savoury dish. The cost includes all ingredients and packaging to bring the food home. The club can cater for allergies so please don't let this put you off booking.	
Where?	Classroom	
Cost?	£11.50 a session. Register interest here for Y5/6 for Term 1 and here for Y3/4 in Term 2	

Other

Philosophy KS2 (Y3-4)

Who and When?	School Staff	Tuesday lunchtimes
How many?	20	
What?	Philosophy Club is a fun way for children to develop thinking and articulation which in turn boosts children's reasoning and social skills. Through the medium of games, picture books, stories and media clips children are given a fun and interesting stimulus. They are then encouraged to come together in a 'Community of Enquiry' to create questions, vote on the most important questions to them which then lead onto philosophical discussions about these, with the teacher as facilitator. Philosophical enquiry helps children to become critical thinkers, a key skill in our modern world.	
Where?	Classroom	
Cost?	Free	Register interest here

Hedgehog KS1 Term 1 only until Oct (Y1-2)

Who and When?	School Staff	Thursdays 3.20-4.20pm
How many?	20	
What?	Hedgehog Club is a club that offers children the chance to explore the outdoors and learn from practical hands on activities. We will be looking at all aspects of the natural world and finding out about the plants and animals that live there. The children will also play games and take part in team building activities.	
Where?	Outside	
Cost?	Free	Register interest here
